Rodrigo:

Hey Jairo, what are you doing?

Jair:

Hey bro! I'm working on my project, TostaTech. It helps toast shops manage orders.

Rodrigo:

Nice! My project is a dental clinic system for appointments and patient reviews.

Jair:

I use a database in my app.

Rodrigo:

So do I.

Rodrigo:

I don't like manual work.

Jair:

Neither do I.

Jair:

I don't want my app to be complicated.

Rodrigo:

I don't either.
